

## Ventus 22 mm Valve Insert +NIST O2

**Manufacturer:** Greggersen

**Product** 900790

**Number:**

### Description

Valve insert for Ventus 22 mm

Gas type : O2

Design complies with DIN EN ISO 7396-1 and HTM 02-01.

Valve assembly consisting of:

- Shut-off valve DN 20, G3/4"
- Cu pipe 22 mm inlet / outlet
- Pressure gauge 0...16 bar
- Pressure sensor -1...6
- NIST emergency feed point upstream of the shut-off valve
- NIST emergency feed point downstream of the shut-off valve
- Physical separation point
- Gas type labelling

# Properties

|                            |                                |
|----------------------------|--------------------------------|
| Fulfilled Standard         | DIN EN ISO 7396-1 & HTM 02-01  |
| Gas Type                   | O2-Oxygen                      |
| NIST Emergency Inlet Point | 2 NIST Emergency Supply Points |
