Ventus 22 mm Valve Insert +NIST N2

Manufacturer:	Greggersen
Product Number:	900799

Description

Valve insert for Ventus 22 mm

Gas type : N2

Design complies with DIN EN ISO 7396-1 and HTM 02-01.

Valve assembly consisting of:

- Shut-off valve DN 20, G3/4"
- CU pipe 22 mm inlet / outlet
- Pressure gauge 0...16 bar
- Pressure sensor 0...16 bar
- NIST emergency inlet point upstream of the shut-off valve
- NIST emergency inlet point downstream of the shut-off valve
- Physical separation point
- Gas type labelling
